Dear Ms. Feldstein:

In response to your letter of May 17, 1985, to the Du Pont Company regarding the Scientific Chemical Processing, Inc., site in Carlstadt, please be advised that Du Pont has joined a committee of potentially responsible parties that shall attempt to negotiate with your agency in good faith for the purpose of resolving environmental issues at this site and allocating responsibility. Please forward a copy of the manifests and other documents you have indicating wastes from Du Pont were delivered to this site.
